- Monday pickup will provide meals for Monday-Wednesday and Thursday pickup will provide meals for Thursday-Friday.

- We will be providing a combination of both hot and cold lunches.

- Meals can be picked up by any student or family representative (that is in our student data system). We are no longer requiring that each student has to be present to pick up a meal.

If you would like to pick up meals for your children, please fill out this form each Monday-Thursday to sign up for the following week (Spanish version) and choose the pickup location that is closest to your home. The deadline to fill out the form is the end of the day on Wednesdays for the following week. The form will not accept responses over the weekend so we can prepare for that week’s meals.

For our families who receive Operation Backpack weekend food, those will also be distributed at the locations on Thursdays and we ask that you also choose a pickup location by filling out the form
