No.

The Mobile Market is a partnership program between St. Louis Area Foodbank and Compass Health Network.

On a specified day, at a specified location, STL Area Foodbank delivers food items to a certain location.Â

Customers line up in their vehicles and will drive through, as volunteers will load up each car with designated

Description portions of each item.

To check Mobile Market dates and sign up, please visit:Â<https://forms.donorsnap.com/form?id=cf041978-d965-42fd-b0e4-259a47ac40fd>
