Promotes a safer & less vulnerable community through effective partnerships of local government, local business and industry, emergency services, human service agencies and the citizens of Warren County.

Description The Warren County Emergency Management Agency is responsible for work in the development, implementation and management of county-wide disaster prevention, preparedness, response, recovery and mitigation. It is responsible for the County's all-hazard Comprehensive Emergency Plan and coordinates the activities for the County's Emergency Operations Center (EOC). The EOC, when activated is a central location where representatives of local government and private sector agencies convene during disaster situations to make decisions, set priorities and coordinate resources for response and recovery.
